

GC20518 Series

DOUBLE NEEDLES FLAT BED NEEDLE FEEDING LOCKSTITCH SEWING MACHINE

This series is designed with powerful built-in motor for direct drive, servo control system integrated with head. The machine with vertical-axis rotating hook for catching thread loops and sliding bar thread take-up to form two lines of lockstitch. It is provided with synchro tooth belt for driving, plunger pump for lubrication, synchro feeding of needle bar and feed dog. The Mechatronics design makes the installation and maintenance to be convenient, and the servo control system has superior performance. It can set various sewing parameters conveniently, with low noise, low vibration, high durability and remarkable energy-saving effect. It is an ideal and efficient equipment for sewing shirts, T-shirts, sportswear, uniforms, overcoats, jeans, travel tents, sports umbrellas and other items.

GC20518-BZ

GC20518-BDZ

- GC20518-M High speed double needles needle feeding lockstitcher
- GC20518-B High speed double needles needle feeding lockstitcher for heavy duty
- GC20518-MZ Integrated direct drive high speed double needles lockstitcher
- GC20518-BZ Integrated direct drive high speed double needles lockstitcher for heavy duty
- GC20518-MD High speed double needles lockstitcher with automatic thread trimmer
- GC20518-BD High speed double needles lockstitcher with automatic thread trimmer for heavy duty
- GC20518-MDZ Integrated direct drive high speed double needles lockstitcher with automatic thread trimmer
- GC20518-BDZ Integrated direct drive high speed double needles lockstitcher with automatic thread trimmer for heavy duty
